## Additional Information Collected During Inspection

**Comments:** No violations observed. Staff was using digital probe thermometer to ensure commercially pre-cooked fish sticks, a potentially hazardous time/temperature controlled for safety food item, was cooked to 140F or greater. Advised staff to wash hands after using the bathroom, eating, drinking, coughing, sneezing, in between glove changes, or whenever contaminated. Advised staff to wash, rinse, and sanitize food contact surfaces and utensils after each use, to prevent cross contamination. Advise staff to work in small manageable quantities when handling PHF/TCS food, and when not in use, place back into hot or cold holding.
