

# Creating an Airport Training (ANTN) Account

- 1) Go to this link:  
<https://www.antndigicast.com/index.cfm?fuseaction=createAcct>
- 2) Fill out the required information to create your account. Your user name can be anything you want. Ex. First initial and last name.
- 3) Your airport org/ID is **ELM**.
- 4) Each employee must have their own email account with a unique username and password.
- 5) Wait for an email confirmation from [DigicastSupport@aaae.org](mailto:DigicastSupport@aaae.org)
- 6) Click on the link in the email confirmation to activate your account.  
**\*\*You will not gain access unless you do this step\*\***
- 7) Airport Operations will verify the person and purpose once the account is set up. Then trainings will be added to your account.
- 8) To find trainings specific to you click on **Assignments** and complete in the required timeframe.
