#### **HEALTH INSURANCE - MARKETPLACE COVERAGE**

##### **WHAT IS THE HEALTH INSURANCE MARKETPLACE?**

The Marketplace offers “one-stop shopping” to find and compare private health insurance options. In the marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance and copayments) right away, and you can see what your premium, deductibles and out-of-pocket costs will be before you make a decision to enroll. Through the Marketplace, you will also learn if you qualify for free or low-cost coverage from Medicaid or the Children’s Health Insurance Program (CHIP). To learn more about these Marketplace options for your state and their costs, please visit [www.HealthCare.gov](http://www.HealthCare.gov) or call (800) 318-2596.

##### **COBRA CONTINUATION COVERAGE**

If you are enrolled in health insurance coverage through Chemung County and your health insurance coverage is ending due to a qualifying event, you will receive information in the mail regarding your COBRA Continuation Coverage rights and the cost. This notice will describe in detail this option available to you.
