SAFETY TIPS

Our street and road network is for all users – unless specifically prohibited.

Pedestrians, bicyclists, and motorists must follow all applicable
Department of Motor Vehicle laws.

Avoid distractions – travel requires concentration whether walking,
bicycling, or driving.

Bicyclists should ALWAYS wear a helmet – properly.

Be visible – bicyclists and pedestrians should wear bright, reflective clothing.

Be especially vigilant at night or during inclement weather.

New York State laws require front and rear lights for bikes at night.

Be predictable and make eye contact.

Always bike with and walk against traffic – it’s the law.

Use pedestrian signals where available.
