Additional Information Collected During Inspection

Comments: No violations observed during reinspection. Observed hot water fully restored to 3-bay sink and all hand wash sinks throughout facility so that staff could adequately wash hands for 20 seconds under warm water with soap after any source of contamination. Observed hot holding cabinets adequately operating to ensure that potentially hazardous food items are hot held to 140F or above such as McNuggets (actual 147F), Crispy Chicken patties (actual 150F) and fried chicken breast patties (actual 156F) . No other items evaluated during reinspection.
