

About Us

Chemung County Home Health Care has been serving the county for over 40 years. We are a nonprofit agency that serves people of all ages.

Our agency is the top rated in the area in terms of quality of patient care with a 4.5 star rating and a high rating for patient satisfaction.

We specialize in pediatrics, cardiac, diabetes, respiratory disease management and rehabilitation, we also have a Certified Wound Care Nurse on staff.

Most insurances are accepted by our agency, including Medicaid, and we will work with you to get the care you need in the comfort of your home.

Public Health
Prevent. Promote. Protect.

Rehabilitation

Our professional staff of physical, occupational, speech, and respiratory therapists are here to assist you with your rehabilitation needs.

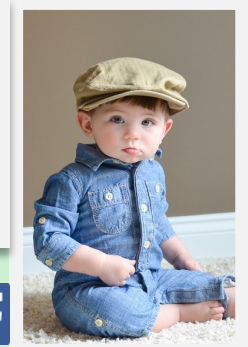

We provide services to those who have suffered a functional loss due to injury or a disabling illness.

We design an individualized care plan with your needs and goals in mind and we do this in the comfort of your home.

Testimonials

"CCHD nurses are outstanding. They take the time to listen to my needs and help me get the care I need to manage my illness."

"My occupational therapist helped me so I can now bathe and dress myself. She was the most caring and helpful lady!"

"Thanks for taking such good care of my mom. She is walking so much better since getting in home rehab after her hip surgery."

We are here to help!
